RACE DAY PARKING

The Surfer's Path 10k/5k courses are designed to maximize coastal views and offer optimal turn around locations. To accomplish this, the start and finish areas are set in two locations, less than a mile apart. We recommend parking mid-way between the start and finish and enjoy a short pre-event warm up and post event cool down. There is plenty of free, on-street parking between the Start and Finish.

If you are planning to be dropped off near the start line, drivers can continue to Capitola Village parking lots above Capitola Village and the Finish. Access to Beach and Village Parking Lots 1 & 2 (Upper and Lower) is on Capitola Avenue, Bay Avenue and Monterey Avenue. Parking costs for these lots is \$0.50 per hour and you can pay for up to 12 hours.

There is NO PARKING in business lots located along 41st Ave between Melton Street and Court Drive, and on Portola Drive, between 36th Ave and Adriene Way. Vehicles will be subject to posting parking restrictions at these locations.

SWEAT CHECK

There will be a sweat check area near the start line on 41st Ave courtesy of Kennolyn Camps. Checked bags will be available for pick up near the finish line.

AID STATIONS

There will be three course aid stations for the 10k, at approximately miles 1.7, 3.5 and 4.3. There will be one course aid station for the 5k at approximately mile 1.9.

SANITARY FACILITIES

There will be sanitary facilities at the start, near each aid station and at the finish.

COURSE MANAGEMENT

The course is managed at a 20:00 minute per mile pace. Course materials are picked up on a mile by mile rolling basis. If you are unable to run/walk within the allotted time, you will be asked to move onto the sidewalk. Once you are on the sidewalk, you must follow all traffic laws deemed by the County of Santa Cruz and City of Capitola. The course will be re-opened to traffic.

FINISH LINE
