

## **Covid-19 Update: February 2021 (click here)**

We hope you are well during these challenging and unprecedented times.

The Surfer's Path Marathon/Capitola Half Marathon event will not take place in May due to COVID restrictions. We are working on a possible future date in 2021 but will be unable to promote any date until COVID restrictions have been lifted for the State of California. We have been informed that our county and state permits will not be considered until the rules within the state allow for events. The public has the same information we have concerning ongoing COVID restrictions within our state. We are hoping for the best and will make an announcement when conditions permit.

If the event does not happen in 2021 due to the continued COVID restrictions, entries deferred in 2020 will continue to roll forward until a time that we are allowed to once again produce our events.

Thank you for your continued patience and support as we work through this together.

**SURFS UP!**
