

Covid-19 Update: May 2021

We hope you are well during these challenging and unprecedented times.

The Surfer's Path events will not take place in 2021. After much consideration and effort to find alternative dates, producing events in 2021 has proved unviable. There are simply too many challenging variables due to COVID restrictions and future uncertainty.

Entries deferred in 2020 will continue to roll forward into 2022. The 2022 dates will be announced later this year and barring any future COVID developments, will take place based on our traditional schedule - February Surfer's Path 10k/5k, May Surfer's Path Marathon/Capitola Half Marathon and October Surfer's Path Hang 10/5.

Thank you for your continued patience and support as we work through this together. SURFS UP!
